

# Dazzling Dealership

Custom-made shadow gray Camara slate tiles wrap the exterior and interior surfaces of a dramatic vertical column that greets customers at White Bear Subaru.

Throughout the facility, 14 different ceramic products provide a functional and customer-friendly feel to floors, walls, counters and convenience areas.

Porcelain ceramic tile and slate has the strength and durability to withstand all types of foot and wheel traffic. Better yet, its design-friendly and easy-to-maintain, an impressive combination for any business, including a dazzling car dealership.
