Ceramic tile delivers a timely and timeless look that creates a pleasing shopping experience. Even hallways, walls and restrooms at Rosedale have a bright new appearance that helps bring back mall magic.

Renovating Rosedale Center to update its look and re-invigorate sales included a generous amount of polished and thermal finished ceramic tile. Neutral tone large and small-format porcelain ceramic tiles, some with wood-like appearance, nicely complement floor borders, store fronts, walls and customer resting areas.
