CREATOR OF THE SLEEP NUMBER 360

Looking for floor-to-ceiling visual impact in your new building? Consider Polished Quartzite floor tile and Natural Cleft Slate on a 24' tall fireplace surround. Select Comfort's corporate lobby is a combination of style and functionality with implied texture and depth. It's stunning and sensational.

Photos by Paul Crosby

Quartzite floor tiles in shades of desert sand, honed and polished to a mirror finish, provide a dramatic expanse on the lobby floor.
