St. Paul

TILE SUPPLIERS

Dal Tile & Kate Lo Tile
Plymouth

You can brighten up any commercial project, even a water treatment plant, with a shimmering burst of ceramic color. For stunning effect, use laser cut platinum glass tiles or glass mosaics in bold hues and unique configurations. Ceramic is the perfect way to add Wow! to a wall.

Glass mosaic tile, used alone or in combination with other tile products, makes ordinary walls extraordinary. They're colorful, easy to clean and extremely durable.
